Shanghai Ferry Co. Ltd.

Dear Sirs,

**// IMPORTANT ANNOUNCEMENT //**

**Entry to China without VISA, Transition Status**

Some country's passports are allowed to stay China without visa. For example, 144 hours for transition purpose only on condition having our-going ticket with him. And many passengers nowadays keep their out-going tickets (e-tickets) just in his smart-phones only.

However, around some restricted area, including immigration counter at the terminal buildings, Wi-Fi seems to be often not available yet, and by happens they could not show their out-going tickets to the officer.

In order to avoid such troubles at Chinese immigration, we request to all no visa passengers to China (especially transition status to be applied) to have their out-going tickets or theirs copies with themselves **in paper (not in the smart-phones)**. We will check them at the check-in counter in Osaka and **we might reject passengers onboard without such paper.**

Thank you for co-operation.
